Exclusive Interiors Made in Italy

BelCor Interiors' purpose is to realize complete interior projects to offer **bespoke and unique solutions**: tailor-made designs with a new classical style, complete with curtains, art pieces, rugs and chandeliers.

BelCor Interiors is an **Italian company** based in the heart of Brianza since 1970. Traditions and legacy are handed down for generations to **design and create furniture of excellence**, always believing that the luxury of classic style furniture can steal the primacy from fleeting trends. BelCor Interiors represents a new classicism where every **handmade piece of furniture** embodies the head architect's creative soul. Nothing is predicted or taken for granted; it is just pure inspiration and sensibility, a touchable emotion.

*L'obiettivo di **BelCor Interiors** è quello di realizzare progetti di interior design completi che offrano **soluzioni personalizzate e uniche**: progetti fatti su misura con un nuovo stile classico, completi di tende, opere d'arte, tappeti e lampadari.*

*BelCor è un'azienda italiana situata nel cuore della Brianza dal 1970. Tradizioni e eredità sono state tramandate di generazione in generazione per **realizzare complementi d'arredo d'eccellenza**, credendo sempre che il lusso dello stile classico possa rubare il primato dei trend passeggeri.*
*BelCor Interiors rappresenta un nuovo classicismo dove **ogni pezzo realizzato artigianalmente** incarna l'anima creativa dei capo architetti.*
Niente è prevedibile o dato per scontato, è pura ispirazione e sensibilità, un'emozione tangibile.
