I N T E R I O R S

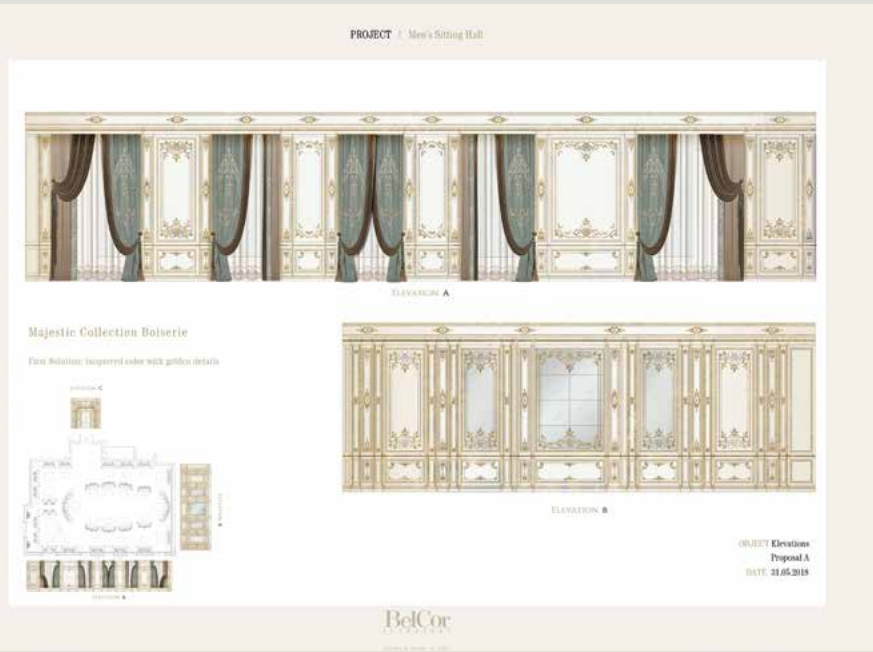

design & made in Italy

BelCor, creativa azienda italiana nota per la realizzazione di ambienti prestigiosi di alta qualità, è un vero partner affidabile: dall'elaborazione di proposte preliminari, alla progettazione specifica di arredi ed interni, fino alla visualizzazione 3D per passare quindi alla definitiva produzione, controllando fase dopo fase la qualità esecutiva. Alla cura della logistica di spedizione segue l'accurata installazione in loco. Il coordinamento globale è affidato ad un unico project management: un team capace di consulenza completa.

BelCor is an ingenious Italian company known for luxurious projects of top quality settings. It is a reliable partner from the formulation of preliminary proposals to the specific furniture and interiors project, going through 3D design and finally to production planning and to strict quality controls. An accurate assembling and setting to the customer's home is provided in addition to precise logistic and shipment. The distinctive mark is that one single project management is entrusted with full coordination offering to the customer full advice.
